Experience

Junior Front-end Developer
- WebMasters, Odessa — February 2024 - September 2024
Developed online stores and dropshipping landing pages with Vue.js and HTML/CSS, ensuring adaptive and user-friendly interfaces. Collaborated in a team of 5, optimizing performance, refining UX with animations, and handling testing and bug fixes. Used Git for version control and participated in code reviews.

Trainee Front-end Developer
- WebMasters, Odessa — November 2023 - February 2024
Developed advertising pages for various businesses. Performed layout, integration of off-the-shelf scripts, and basic testing before handing over the project. Actively participated in discussions and calls, offering ideas for interface improvements.

Skills

Frontend: Vue.js, React, JavaScript (ES6+), HTML5, CSS3 (Sass, Bootstrap)
